At Champlain College, we believe that your success, job performance and personal happiness are enhanced when you gain the additional knowledge and skills you need to flourish in your career.

That's why we created truED.

truED is an exclusive opportunity for you to earn a certificate, bachelor's or master's degree from a nationally recognized college in today's most critically needed skills areas. And because your organization is part of the truED alliance, you pay 70% less than the standard tuition at Champlain College.

The unique truED subscription model lets you earn your certificate or degree through affordable monthly payments.

Champlain College represents a true higher education experience that challenges you to learn the critical thinking, problem-solving and communication skills that will enhance your career.

NATIONALLY RECOGNIZED AND REGIONALLY ACCREDITED Champlain College is consistently ranked by *US News & World Report* and *The Princeton Review* as a leader in higher education. Numerous academic programs at Champlain College are recognized by leading organizations each year for their quality, innovation and affordability. Champlain College is regionally accredited which ensures that standards of academic quality are being met or exceeded.

Choose the subscription that fits your needs and earn a certificate or degree through low monthly subscription payments.

At Champlain College, we get to know you as a student and work hard to ensure you get the credit you deserve—up to 90 credits—for your on-the-job training, industry certifications, prior academic courses, military experience and more. We make your education goals our priority, and an entire team at Champlain College will help make those goals achievable.
