Please check appropriate box:  Early Decision Plan I (November 15)  Early Decision Plan II (January 15)

The Early Decision plan is designed for those students who, after very careful consideration and consultation with their guidance counselor and parents, decide that Champlain is their first choice. Students who have made this decision are encouraged to apply under one of the Early Decision options. Admission under Early Decision allows a student to enjoy the advantage of resolving college plans well before the mailing date of regular decision. It also gives students a competitive advantage for financial aid.

An Early Decision candidate may not make any other Early Decision application, but may apply to other colleges for regular admission with the understanding that all other applications must be withdrawn if he or she is admitted to Champlain. Early Decision candidates who wish to apply for financial aid must submit the family's most recent tax returns. Candidates will be notified of their financial aid awards with their admission decisions.

**Early Decision candidates may be considered under one of the following plans.** Candidates must submit all required materials, including this Early Decision Agreement signed by both the student and the counselor. This Early Decision Agreement cannot be submitted electronically. Candidates submitting their Common Application and Supplement electronically will not be assessed an application fee.

### PLAN I

Candidates under this plan must apply by November 15 and will receive notification of Champlain's admission decision by December 15.

### PLAN II

Candidates under this plan must apply by January 15 and will receive notification of Champlain's admission decision by February 15. A student may convert a regular application to Early Decision Plan II any time up until February 1 by submitting this agreement.

## EARLY DECISION AGREEMENT

I am a candidate for Early Decision at Champlain College. I understand that applying Early Decision involves a commitment to matriculate at Champlain College if admitted. I realize that I may not apply to more than one institution under the Early Decision Plan and that I must withdraw my regular decision applications to other colleges or universities if I am accepted under the Early Decision Agreement at Champlain.
