Nuts & Bolts of Beginning Your College Career
Now that you are on campus there are some loose ends to tie up. Resources are available all around campus to assist you in completing these tasks.

Things to Do Today Electronically:
Emergency Contact Form
Complete your Emergency Contact Form and Evacuation Plan online at champlain.edu/current-students; under “Links that Require Login,” select “Web Advisor” and log in using your personal login, then select “Students.” Under “Communications,” select “Emergency Contact.” Having trouble doing this on your own? Stop by the Health and Wellness table in the IDX Student Life Center, Fireside Lounge today and they will gladly assist you. (You would have been notified at check-in this morning if you have not yet completed this form.)

Photo ID
If you did not have a chance to send us your photo for your College ID in advance, you can still have someone take your picture and email it to newstudentids@champlain.edu. The picture needs to be an individual, color photo in .JPG format (no hats, no sunglasses). The subject line of your email should be firstname.lastname (ex: john.smith). Once you have done this, the staff will quickly work to get your ID printed for you to pick up after dinner at the Information Table outside the entrance to the dining hall.

Cash Card
A Cash Card account is a safe, convenient way to have access to goods and services without always having your purse or wallet with you. This optional debit card account, also your Student ID card, can be used for campus laundry, in the bookstore and at snack bars. You may also use the debit card around town at multiple vendors, wherever merchants display our CC Cash Card logo.
Deposit funds to your Cash Card account online, through a secure online portal at https://forms.champlain.edu/secure/cccash. Minimum deposit is $20. Online payments may take up to 48 hours to reflect in the Cash Card balance. Deposits by cash or check are also accepted in the Enrollment Service Center (ESC) in Perry Hall from 9:00 AM–4:30 PM. Questions? Contact the ESC at 802.860.2777.

EverFi

As part of that commitment, we expect all incoming students to complete part one of the AlcoholEdu and Haven courses by August 27. If you haven’t completed both courses, please read carefully: Go to: everfi.com/login and click Register; under “Student/Learner,” enter the Registration Code: e144dc93, and click “Next” to create your EVERFI account.
