

CHAMPLAIN COLLEGE

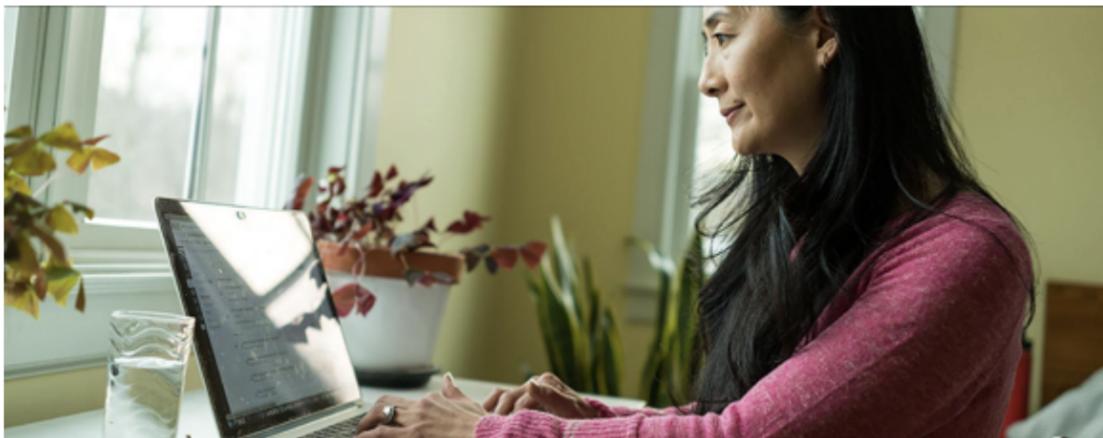

People, News & Notes

Champlain Esports is featured in Nerd Street, a content and infrastructure hub for the esports community

The article features Champlain female and nonbinary students sharing their positive experiences with esports, including the focus on inclusivity and student leadership, the opportunities for students beyond competitive playing, and the preparation Champlain's program provides for the broader industry. Read the full article [here](#).

New Program: Business Analytics, Online Graduate Certificate

Designed for professionals in management positions, Champlain's new online graduate certificate in Business Analytics trains students to derive meaning from data in order to make informed business decisions, learn how to thoughtfully analyze information to effectively lead in businesses, nonprofit organizations, government agencies, and more. Learn more [here](#).

A Q&A with Business Administration Major Emma Seidenberg

Business Administration major Emma Seidenberg tells us about her caring professors, internship experience, and being an orientation leader. Read the full Q&A [here](#).

Panel Discussion: How to Choose a Graduate Program

Is graduate school in your future? Tune in on Wednesday, 3/16 at 12 PM ET, where a panel of alumni, current students, and faculty from across the college will discuss all things graduate school—including how to decide which program is right for you, and tips for a successful graduate school experience.

Champlain College Ranked One Of The Top Twelve Schools For Students With Children

It's no secret that student parents face unique barriers. Champlain offers workshops and resources including mental health counseling, tutoring, and career advising to help our single parent scholars achieve success. Read more about our ranking [here](#).

Students Named to the Fall 2021 Trustees', President's, and Dean's Lists

Please join us in congratulating the students who were named to Champlain College's honors lists for the fall 2021 semester. We are so proud of them! See the full list of students [here](#).

A Q&A with Education Major Emily Emery

Education major Emily Emery '22 delves into changing her major, the best parts of living on campus, and offers some advice to future students. Read her Q&A [here](#).

UPCOMING EVENTS

We Are Coming To You!

We're taking Champlain on the road this year as we host regional networking events for alumni, parents, and students in our Champlain College Online programs!

Join Faculty Guest Stars, members of Alumni and Family Relations, Career Collaborative, and Champlain College Online for amazing opportunities to network, catch up with friends, and learn what new and exciting things are happening at Champlain.

We are excited to connect with you this year!

All Champlain families, alumni, friends, and Champlain College Online students in the Florida area are invited to attend a reception at **Boatyard in Ft. Lauderdale on Wednesday, March 9, 2022, from 6:00-8:00 PM.**

Meet Interim President David Finney and President-Elect Alex Hernandez. Expand your Champlain family by getting to know fellow Champlainers in your area. Interact with staff from Career Collaborative, Champlain College Online, and the Office of Alumni and Family Relations.

We have missed getting to see our nationwide Champlain community in person, and can't wait to reconnect or meet for the first time!

Do you live in California? Are you traveling to San Francisco for the Game Developers Conference (GDC) the week of March 21st? If you answered "YES" to either of these questions, then come join us for Champlain Connect: San Francisco on **Tuesday, March 22, 2022, from 5:30-7:00 PM PST at [Merkado](#).**

A handful of current Champlain College students will be heading out to California to attend the week-long conference and will join us at this reception. We will also be joined by Champlain families, friends, and current Champlain College Online (CCO) students in the California area. We hope you will attend so you can expand your Champlain family by getting to know, and networking with, fellow alumni from across the country; recruiters from different game companies; families, friends, and current CCO students located in California. You will also have the chance to welcome newly admitted Champlain students and families to the Champlain community. Finally, you will have the opportunity to connect with Admissions, Career Collaborative, Champlain College Online, and the Office of Alumni and Family Relations.

Become A Champlain Weekend Ambassador

Are you interested in helping plan this year's Champlain Weekend? Do you want to help organize alumni activities and reunion milestones?

Then join the Champlain Weekend Alumni Ambassadors and tell us what events YOU want to see! Ambassadors will use their network to aid in alumni turnout and make the weekend a success! Sign up [here](#).

Empower Students Through Your Support

Here at Champlain College, our goal is to empower our students to flourish in and out of the classroom. Our mission is to not only provide them with the knowledge and skills they need to succeed in their future careers, but also the tools, experiences, and resources to ensure their lifelong health and well-being.

Will you make a gift today, to any area that you are passionate about, to help Champlain College continue to empower our students and create opportunities?
