

DARE TO MAKE YOUR MARK.

JOIN THE PARENT ADVISORY COUNCIL

About the Council

Champlain College's Parent Advisory Council is a group of current and former parents who are committed to investing in Champlain College and its future as we prepare our students for lifelong career success. Parent leaders are an integral component of the vibrant experience we offer our students, and their engagement is critical as our students seek internships and embark on meaningful careers after graduation. Members of the Parent Advisory Council play a leadership role through participation, service, and financial support. They gather quarterly to hear important institutional updates from campus leadership and engage in thoughtful discussions surrounding various areas of focus such as enrollment, career, philanthropy, and communications strategy.
