Fellow Students,

On October 11-12, Champlain College is hosting an event with all members of the College community to envision Champlain’s future. There are many ways to get involved here on campus, online and at the Champlain Valley Expo. See invitation below with details.

As your SGA representatives, we strongly encourage all of you to participate. This is our chance to contribute our voices to the College’s next strategic plan, and share our perspective on how the College can best support us and future Champlain students.

We encourage you to come into Hearthstone and/or reach out to a member of the SGA if you have questions or comments.
