WHY (& HOW) YOU SHOULD PARTICIPATE IN THIS A COMMUNITY CONVERSATION VISION THING 10/11 & 10/12!

We are bringing together a cross-section of as many members of the extended Champlain College community as possible. The more voices and ideas we have as we envision our future, the better our plan. So get involved and make your voice heard!

FIRST-YEARS: GET CREDIT FOR PARTICIPATING!

That’s right, getting involved with next week’s Community Conversation will count as an a la carte activity for your InSight program. All you need to do is participate in some way and write a reflection about the experience.

SO MANY WAYS TO GET INVOLVED 10/11 & 10/12:

Join the conversation on campus (watch the Live stream from the Expo in the Alumni Auditorium, drop by the Champlain Room for graffiti boards, podcasting & activities facilitated by CCM students), online (join Zoom conversations, watch streamed segments from the Expo), and/or at the Champlain Valley Exposition in Essex Junction, VT.
