

**FINANCIAL AID ACADEMIC PLANNING WORKSHEET FOR APPEAL OF
FEDERAL SATISFACTORY ACADEMIC PROGRESS REQUIREMENTS**

This form is required for students who have been notified by the Office of Financial Aid that they are not meeting the Satisfactory Academic Progress requirements for federal financial aid and wish to appeal the loss of their financial aid. This form must be completed by an Academic Specialist from the Registrar's Office and submitted to the Office of Financial Aid along with the Financial Aid Satisfactory Academic Progress Appeal form.

Student's Name: _____ Student's ID#: _____ Today's Date: _____
Anticipated Graduation: _____ Academic Specialist's Name: _____

1. I support allowing the student an additional term or terms of aid eligibility contingent on successfully adhering to the following Academic Plan. Please indicate educational resources the student will be expected to utilize. Please indicate if the student has or plans to change major.

2. For a single term plan, a term GPA of _____ is needed to meet the Satisfactory Academic Progress requirements.
For a multiple term plan, satisfactory progress will be defined as a term by term GPA of _____ or greater. This will allow the student to meet Satisfactory Academic Progress requirements by the end of _____ (Fall, Spring, or Summer) term of _____ (Academic Year).

Note: Academic Specialists should set term by term expectations that, with the use of appropriate resources, are reasonable given the student's performance to date. (i.e. it is unreasonable to expect or project a term GPA of 4.0 for students with a history of academic difficulty)

The Satisfactory Academic Progress standards are outlined in the Champlain College Student Handbook, Financial Aid, at www.champlain.edu. The standards are: undergraduate students must maintain a 2.0 GPA; graduate students must maintain a 3.0 GPA (qualitative standard) and both undergraduate and graduate students must successfully complete 70 percent of all credits attempted (quantitative standard).

Student's Name: _____ Student's ID#: _____ Today's Date: _____

3. Please list below the student's program-required but not yet completed coursework/credits. Include current term enrollment and all future terms, until the student is again meeting Satisfactory Academic Progress.

Only report specific courses if student is on Suspension for Maximum Time Frame 150%. Students who have reached 150% of the maximum time limit allowed within their program are no longer eligible for federal or institutional aid based on financial aid satisfactory academic progress criteria. Example: Bachelor degree requires 120 credits, student would reach 150% maximum time limit at 180 credits.

If student is not on Suspension for Maximum time frame you can just list the number of credits per semester.
