

WENDELL'S FURNITURE

Employee Perk Program TAKE 18% OFF EVERY PURCHASE!*

Great News!

Your employer has registered for our Employee Perk Program, which gives you an **18% DISCOUNT** on nearly everything in our family of stores! That includes regularly-priced furniture, rugs, accessories and more. There's no need to wait for a sale when you can make your own!

How do I get my discount?

Just mention the "Employee Perk Program" at the time of introduction at any of the Wendell's stores, and we'll be happy to honor the discount.

Anything else we should know?

We are not able to honor the discount on clearance or *Wendell's Priced to Go* items, nor on products that are price-locked, such as Tempur-Pedic mattresses. Not to be used on previous purchases.
