ELIGIBILITY

Employees

You are eligible to participate on the first day of the month following your employment, or your classification as an Eligible Employee. If your first day of employment or benefits eligible classification is the first day of the month your benefits will be effective on that day.

Dependents

Your legally married spouse and any biological, adopted, foster or stepchildren, or any child for whom you are court appointed as legal guardian (up to age 26).

KEY TERMS TO KNOW

Deductibles are the amount you pay for covered health care services before your insurance plan starts to pay.

Copayments (copays) are the fixed dollar amounts (for example, \$15) you pay for covered health care, typically at the time of service.

Coinsurance is the percentage of costs of a covered health care service that you pay (20%, for example) after you've paid your deductible.

Generic drugs contain the same active ingredients as brand-name drugs, but generally are less expensive.

Preferred brand drugs are brand-name drugs that are listed on the plan's preferred list of prescription drugs.

Non-preferred brand drugs are brand-name drugs that are not included listed on the plan's preferred list of prescription drugs. These may not be covered under the plan.

Specialty drugs are used to treat certain complex health problems. These drugs tend to be very expensive.

A **Preferred Provider Organization (PPO)** plan provides coverage to participants through a network of selected health care providers (such as hospitals and physicians). The enrollees may go outside the network, but would incur larger costs.

A **High Deductible Health Plan (HDHP)** combines traditional medical coverage and a tax-advantaged Health Savings Account (HSA) to help save for future medical expenses.

WHEN CAN YOU MAKE CHANGES TO BENEFITS?

Generally, changes are only allowed under the following circumstances.

Annual Open Enrollment Period

Once a year we conduct an Annual Open Enrollment (usually in the fall). During this time, you can add or drop benefit plans, enroll in a FSA or HSA, and add or remove dependents from your coverage for the coming plan year.

Qualifying Life Events (QLEs) Change in Family Status

Outside of Annual Open Enrollment, you may change your benefit elections during the year only if you experience a Qualifying Life Event. Below are examples of life events that may allow you to make a change.

EXAMPLES OF QUALIFYING LIFE EVENTS

Champlain College offers employees the choice of three medical plans through Cigna: the Gold Plan Open Access Plus Plan (OAP), the Silver HDHP Plan with HSA, and the Bronze HDHP Plan with HSA. All of our medical plans include 100% coverage for preventive care services in the Cigna Network. See below for an overview of how the plans work and refer to the comparison chart on "Medical Plan Comparison" on page 10 to see how certain essential services are covered.

HOW THE GOLD PLAN WORKS

If your out-of-pocket costs reach the annual maximum, the plan pays 100% for eligible care the remainder of the plan year.

HOW THE SILVER AND BRONZE HDHPs WORK

They come with a college-funded Health Savings Account. We'll contribute 60% of the deductible in a calendar year

Cigna's Telehealth Connection is covered at a low cost per visit.

100%

If your out-of-pocket costs reach the annual maximum, the plan pays 100% for eligible care the remainder of the plan year.

Some of the most common uses include:

- Cold and flu symptoms such as cough, fever, earaches, and headaches

- Schedule a behavioral/mental health virtual care appointment online in minutes

- Have a prescription sent directly to your local pharmacy, if appropriate

IT'S SIMPLE TO USE

1. Download the MyCigna® app
2. Log in with your Cigna username and password
3. Tap "Find Care" at the bottom of your screen
4. Tap Cigna Telehealth Connection, then choose MDLive

GO AHEAD AND SIGN UP TODAY!

No one plans to get sick ... it seems to happen out of nowhere! That's why we highly encourage you to download the MyCigna® app now, before you need it, and get signed in so that when you need to use the Telehealth Connection services, all you need to do is connect through the app.

In the world of COVID one thing to understand is the difference between Telehealth and Telemedicine. **Telehealth** (MDLive) is not a visit with your doctors. **Telemedicine** is the tagline used when you see your doctor via secure video conference or phone, but not in person. A Telemedicine visit follows the same cost structure as an in-person visit.

Managing Your Health Savings Account

A Health Savings Account, commonly known as an “HSA,” is an individual account you can open, add pre-tax money to, and spend on eligible health care expenses.

HSA BASICS

An HSA is unique because money used for eligible expenses is not taxed, investment earnings are not taxed, money spent on eligible expenses is not taxed, and the money rolls over year to year. You own the account and you control how money is spent. Contributions can be made with pre-tax dollars via payroll deduction or using post-tax dollars, allowing you to claim a deduction on your tax return.

SETTING UP YOUR HSA

If you are eligible for an HSA Account (by electing the Silver or Bronze HDHP medical option), you will receive a Welcome Kit at your home address with registration information. We partner with Health Equity to administer our employees’ Health Savings Accounts.

If you currently have an HSA through Champlain, you do not need to set up a new plan. A new card will not be issue unless your current card is expiring.

ADDING MONEY

The IRS sets the annual dollar maximum that can be made to an HSA. Coverage of two or more people is considered family coverage. People who are age 55 or older can make additional catch-up contributions.

SILVER OAP HDHP	2022 EMPLOYER CONTRIBUTION	2022 TOTAL IRS CONTRIBUTION LIMIT
EE Only	\$1,200	\$3,650
Family	\$2,400	\$7,300
55+ Catch Up	N/A	\$1,000

BRONZE OAP HDHP	2022 EMPLOYER CONTRIBUTION	2022 TOTAL IRS CONTRIBUTION LIMIT
EE Only	\$1,500	\$3,650
Family	\$3,000	\$7,300
55+ Catch Up	N/A	\$1,000

USING HSA MONEY

HSA money can be used tax-free for any eligible health care expenses. If you pay out of pocket for an eligible medical expense, you can reimburse yourself for the expense from your HSA.

Once you turn age 65, you may use your HSA money for any expense, medical or not, but you will pay income taxes on those non-medical expenses.

Distributions made for any non-qualified medical expenses are subject to income tax and a 20% penalty. The 20% penalty is waived in the case of death or disability or once the account owner reaches age 65.

MANAGE YOUR ACCOUNT ONLINE

At my.healthequity.com, you can:

- Check your account balances
- Make payments to providers
- Transfer funds to your personal checking account
- Record your beneficiary
- Use the HSA Tool Kit for as an additional resource

Eligibility

- You must be covered under a high deductible health plan (HDHP).
- You have no other health coverage except what is permitted under Other Health Coverage (See Publication 969 located at www.irs.gov).
- You are not enrolled in Medicare (if you or your spouse is enrolled in Medicare please contact benefits@gmhec.org to discuss alternative solutions)
- You haven’t used the VA (See Publication 969 located at www.irs.gov).
- You cannot be claimed as a dependent on someone else’s (current year’s) tax return.

Eligible Expenses

The money in your HSA must be used for eligible medical, dental, vision, and prescription drug expenses. If you use money for a dental, vision or medical expense that is not covered by the medical plan, it is important you understand your medical plan deductible will still need to be met if an expense is incurred.

Supplementing Your Medical Plan

Our medical plans provide great coverage for your health needs, but an unexpected injury or illness can mean unexpected bills that you didn't plan for. That's where supplementing your insurance with our voluntary plans can help. If you experience a covered condition, you'll receive a cash reimbursement benefit to help offset your out of pocket expenses.

CRITICAL ILLNESS INSURANCE

If serious illness strikes, Unum's Critical Illness Insurance provides cash to help with the extra expenses associated with your treatment and recovery. If you elect this coverage and are diagnosed with a covered illness, you get a lump-sum cash reimbursement benefit — even if you receive benefits from other insurance. Your spouse may only enroll in half of the employee's coverage.

Coverage Amounts

- Employee – Choose \$10,000, \$20,000, or \$30,000
- Child – All eligible children are automatically covered at 50% of the employee benefit amount (no additional cost)
- Spouse – Choose \$5,000, \$10,000, and \$15,000 (must also purchase employee coverage)

Covered illnesses include (but are not limited to):

- Heart Attack
- End Stage Renal (Kidney) Failure
- Stroke
- Coronary Artery Bypass Surgery
- Major Organ Transplant
- Cancer and Carcinoma in Situ
- Benign brain tumor
- Blindness

Wellness Benefit

You can receive a wellness benefit of \$50, \$75, or \$100 per calendar year per person covered under the Critical Illness plan if a covered health screening test is performed.

These wellness benefits are based on the employee coverage amount that is selected. Contact Unum at **800.350.1775** to inquire about claiming your wellness benefit.

Critical Illness Rates

Rates are based on age and coverage amount elected. Review the rates listed in Oracle as you make your elections.

ACCIDENT INSURANCE

The Accident Insurance plan provides benefits to help cover the costs and out-of-pocket expenses associated with your treatment and recovery from an accident. When a covered accident occurs, the last thing you should have to worry about is paying for the charges that may be accumulating while you're not at work.

Examples of Covered Injuries*

- Broken bones
- Burns
- Torn ligaments
- Concussions
- Eye injuries
- Ruptured discs
- Lacerations

**Exclusions and limitations may apply; refer to plan documents for full list*

Flexible Spending Accounts

HEALTHCARE FSA

A Flexible Spending Account (FSA) allows you to set aside money from your paycheck before income taxes are withheld. This money is available to pay for eligible medical, dental, and vision expenses, such as coinsurance, deductibles, eyeglasses, contact lenses and other health-related expenses that are not reimbursed by insurance.

If you are enrolled in a High Deductible medical plan, you are not eligible to enroll in the Healthcare FSA but you can instead elect a Limited Purpose FSA, as described below.

How It Works

You decide how much to contribute to your Health Care FSA each year, up to \$2,750. Your annual election will be divided by the number of pay periods and deducted evenly on a pre-tax basis from each paycheck throughout the plan year.

Rollover Feature

Covid-related legislation passed in December 2020 allows for an unlimited rollover of remaining FSA funds from 2021 into 2022.

LIMITED PURPOSE FSA (HDHP PARTICIPANTS ONLY)

If you are enrolled in a High Deductible Health Plan, you may enroll in a Limited Purpose FSA. The annual contribution limit for this plan is \$2,750.

You would use these funds to pay for eligible dental and vision expenses, preserving the money in your HSA for medical expenses. The Limited Purpose FSA is subject to the same rules as the Health Care FSA, including IRS contribution limits and an unlimited fund rollover for remaining funds from 2021 into 2022.

DEPENDENT CARE FSA

The Dependent Care FSA allows you to set aside money from your paycheck on a pre-tax basis for daycare expenses to allow you and your spouse to work or attend school full-time. Eligible dependents are your tax dependent children under 13 years of age or a child over 13, spouse or elderly parent residing in your home, who is physically or mentally unable to care for himself or herself.

How Much Can I Contribute to a Dependent Care FSA?

Under the Dependent Care FSA, if you are married and file a joint return, or if you file a single or head of household return, the annual IRS limit is \$5,000. If you are married and file separate returns, you can each elect \$2,500 for the plan year. You and your spouse must be employed or your spouse must be a full-time student to be eligible to participate in the Dependent Care FSA.

Eligible Expenses

Some examples of eligible Dependent care Expenses include day care facility fees, before and after-school care, in-home babysitting fees (income must be reported by your care provider), and elder care.

Things to Consider Before You Contribute to A Dependent Care FSA

- Due to Covid-related legislation you can rollover unused Dependent Care FSA funds from 2021 into 2022.
- You cannot take income tax deductions for expenses you pay with your Dependent Care FSA.
- **You cannot stop or change contributions to your Dependent Care FSA during the year unless you have a change in status consistent with your change in contributions.**

CLAIMS REIMBURSEMENT

You can access your FSA funds through the plan administrator's website at naviabenefits.com. Learn more about managing your account on page 16.

ACCESS YOUR FUNDS WITH THE FLEX CARD

The "Flex Card" is a debit card. It can be used to access funds in your Health Care and Dependent Care Flexible Spending Accounts.

Every participant in the FSA plan will be issued a blue Flex Card. By allowing immediate access to funds in your FSA, your Flex Card helps with cash flow.

IMPORTANT: FSA claims need to be substantiated and therefore you should save all receipts from Flex Card transactions.

If you choose not to use the "Flex Card" you may use the app or send in paper claims forms with the proper documentation for reimbursement.

COVERAGE TYPE	BENEFIT AMOUNT*
Term Life Insurance	Base Life Insurance amount ("principal sum") is 2x your earnings up to a maximum of \$700,000 (guaranteed issue amount is \$450,000)

The Group Term Life and AD&D benefit premiums are paid by the College, however, the benefit is taxable under federal law. The tax is on the value of the amount over \$50,000, and this is determined by using an IRS chart with your age and the dollar amount.

Remember, it is important to keep your beneficiary information up-to-date.

Please be sure to verify or update this information during Open Enrollment or when there is a status change. Examples of when you may want to update your beneficiaries are birth, adoption, marriage, or divorce. Beneficiaries for life insurance are tracked and updated in Oracle.

- The appropriate paperwork has been filed with Unum
- Unum has approved the illness or injury as a disability

Unum will determine your disability paid-time benefit based upon your disability and the physician's diagnosis. STD may last up to 26 weeks, including the first 10 days you were absent. STD runs in conjunction with Family Medical Leave.

Long-Term Disability (LTD) provides you with income when you are unable to work due to a disability. This coverage is provided to you by the College at no cost to you.
