

CHAMPLAIN COLLEGE

Spinner Place Application

Please fill out this form to apply for an apartment in Spinner Place. You must be able to fill the apartment with pull-ins. All pull-ins must be currently enrolled students and complete the housing deposit/waiver by the deadline. Please return the form to Melody Brook in Skiff Hall 116 when completed.

Students who have completed this form, including all required signatures, and received approval from Residential Life, will not be required to participate in housing selection. You must be able to fill the apartment* with your desired pull-ins to create a mixed or single-gendered suite. Each resident must print their name, sign the form verifying they would like to be pulled into the apartment, and initial that they have paid their housing deposit. **Housing deposits are due March 15 and this form is due by March 22.**

Please note that there are a limited number of 2 person, 3 person, 5 person, and 8 person suites. Students will be placed based upon the pool of candidates applying and the highest number of completed credits in each roommate grouping. *Anyone that cannot fill their current apartment, but still wants to live at Spinner Place should sign up on April 11. Mixed gender suites are only available via this application and will not be available during the online process.
