

# Take advantage of your hearing care savings

## When should I get my hearing checked?

Hearing changes can come on so gradually that you may not even notice it's happening. In general, you should have your hearing screened every three to five years, and tested annually if you are over the age of 50 or experiencing any of the following:

- **Consistent exposure** to loud noises
- **Difficulty understanding** in noisy environments or in groups
- **Asking people to repeat themselves** or feeling like they are not speaking clearly
- **Ringing** in your ears

## Your Hearing Program\*

Champlain College and Cigna Healthcare<sup>SM</sup> have teamed up with Amplifon to save members an average of 66% off MSRP\*\* on hearing aids with additional benefit of no dollar maximum and a device limit of 2/year, every 3 years. Plus, you'll also enjoy:

**Risk-free trial** - find your right fit by trying your hearing aids for 60 days

**Battery support** - a charging station or battery supply to keep you powered

**Earmolds** - one earmold per hearing aid for comfort and fit

**Warranty** - peace of mind with coverage for loss, repairs, or damage

## Take the first step,

call 877-806-7062 TTY: 711 | Hours: Mon-Fri 8am - 8pm ET  
or visit: [amplifonusa.com/cigna](https://amplifonusa.com/cigna)

**\*Risk-free trial** - 100% money-back guarantee if not completely satisfied, no return or restocking fees. **Earmolds** - as required based on hearing aid type. **Batteries** - one standard charger or a five-year supply of batteries (80 cells/ear/year) at no additional cost. **Warranty** - for three-years, exclusions and limitations may apply. Contact Amplifon 877-806-7062 for details. This hearing aid benefit is made available through the Champlain College health benefit plan administered by Cigna Healthcare. You will be required to pay any amount over and above your benefit limit, as well as a deductible or coinsurance if any applies, at the time of delivery of hearing aids/supplies.
